Dear Sirs,

This is to inform that company has commenced optimum production from the month of Aug 2018 to operationalise 280 MW of cell and 250 MW of module line capacity. Company has started securing and negotiating long term contracts to operationalise its full capacity under the implementation of safeguard duty on Cell and Modules by GOI on 30.07.2018.

For the month of August 2018 Company has secured sufficient orders which is under execution and is in negotiation for securing further orders for the period ended March 2019.

Company hopes to sustain long term contract with solar EPC contractors and integrators in the domestic market and from various geographies. Company is working towards optimisation of plant capacity under solar and make in India Policy.

We request you to kindly take the above on record and disseminate the information to the concerned.

Thanking you,

Yours faithfully,

For **Websol Energy System Limited**
